& LICENSED SOFTWARE CAPABILITY

SERTIFIKAT OTORISASI PRODUK & KEPEMILIKAN LISENSI SOFTWARE

Certificate No. : FPS/AUTH-SW/08/2026/001

Issued Date : 04 August 2026

Purpose : Tender / Prequalification

This is to certify that **PT FIRE PRATAMA SERVICE** declares that the company holds valid product authorization/supporting appointment documents and licensed software access/capability for the following fire alarm, releasing, suppression, and life-safety system brands/platforms. The scope and validity remain subject to the underlying manufacturer/principal authorization and software-license documents.

NOTIFIER	KIDDE	MIRCOM	SECUTRON
SIEMENS CERBERUS	ESSER	NOHMI	HOCHIKI FIRENET
HOCHIKI SYNCRO	FIRE-LITE	KENTEC	APOLLO
HOCHIKI LATITUDE	SIEMENS SHINWA	NITTAN	HOOSEKI

AUTHORIZED PRODUCT & LICENSED SOFTWARE CAPABILITY SCOPE

Authorized product holding/supply support • System integration & installation • Licensed programming/configuration • Testing & commissioning • Troubleshooting • Preventive/corrective maintenance • Technical support

This certificate is issued by PT FIRE PRATAMA SERVICE as a corporate declaration for tender, prequalification, and technical qualification purposes. It confirms the company's declared holding of supporting product authorization/appointment documents and applicable software-license access for the brands/platforms listed above. It does not replace or reproduce any manufacturer/principal certificate, distributorship appointment, software EULA, dongle/license-key entitlement, or OEM-issued authorization. Original supporting evidence shall be presented upon request. Validity of this certificate follows the validity, scope, and terms of the underlying documents.

Supporting Documents

Supporting evidence: original manufacturer/principal authorization or appointment letters, software-license records, license keys/dongles where applicable, training/certification records, and other tender-verification documents held by the company.
